Project Completion Letter

I hereby affirm, to the best of my knowledge and belief, based on inspections, observations, testing of School based Android Project Development and upon reports submitted by others, that this School Android Application is completed in accordance and is operable. The Android Development was completed in accordance with the company's issued guidelines.

PROJECT NAME

School based Android App Development

PROJECT DESCRIPTION

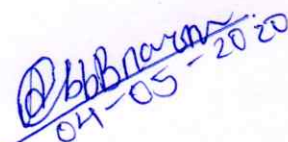

The project was to develop and deploy a School based Android App Application, from standard 5th to 10th with all known requirements. The tasks given in the Android application were to dynamically display the papers of the Standard 10th students. Also, it included the display of the test results of all the students with their respective subject and tests numbers.

Project begin date: 29th March 2020

Completion date: 02nd May 2020
